Has information previously provided to you by this office pertaining to this target which may have initially been labelled erroneous, irrelevant or whose relevance could not be determined, been found to have subsequent importance? If so, please explain by noting the IES control number (if any) and the specific nature of the information that was previously discounted and the reasons for current reevaluation. Please use a separate sheet of paper for your comments.

Has information previously provided to you by this office pertaining to this target which may have initially been rated "Of Value" (or better), been subsequently found to be of a lesser rated reliability or erroneous in nature? If so, please explain by noting the ICS control number and the specific nature of the information that was previously rated and the reasons for the current reassessment. Please use separate sheet of paper for your comments.

NOTE: This organization solicits your frank and informal comment or any aspect of this project which could better aid us in providing high quality intelligence to the consumer. Please feel free to use the space below, (or additional sheets of paper as necessary), in any format you deem adequate to convey your thoughts.
